## 1st Place - Teena Robinson

CBK is a place that offers something  
for all  
If you have a problem give customer  
service a call.

The buyers meet to build new product  
lines each year  
Gone for months at a time traveling far  
and near.

The warehouse crew are working fast  
and hard everyday  
Boxing lamps and more to get them  
on their way.

If it is something pretty and local  
you are looking for  
Be sure to visit Decor Direct —  
the outlet store.
