							Room 1044

A red path is drawn through the grid, starting from the top-left cell (row 1, col 1) and ending at the bottom-right cell (row 10, col 8). The path consists of the following sequence of cells: (1,1) → (1,2) → (2,1) → (2,2) → (2,3) → (2,4) → (2,5) → (3,5) → (3,6) → (4,6) → (4,7) → (5,7) → (5,8) → (6,8) → (6,9) → (7,9) → (7,10) → (8,10) → (8,11) → (9,11) → (9,12) → (10,12). Several question marks are scattered throughout the grid, some in green and some in orange.
