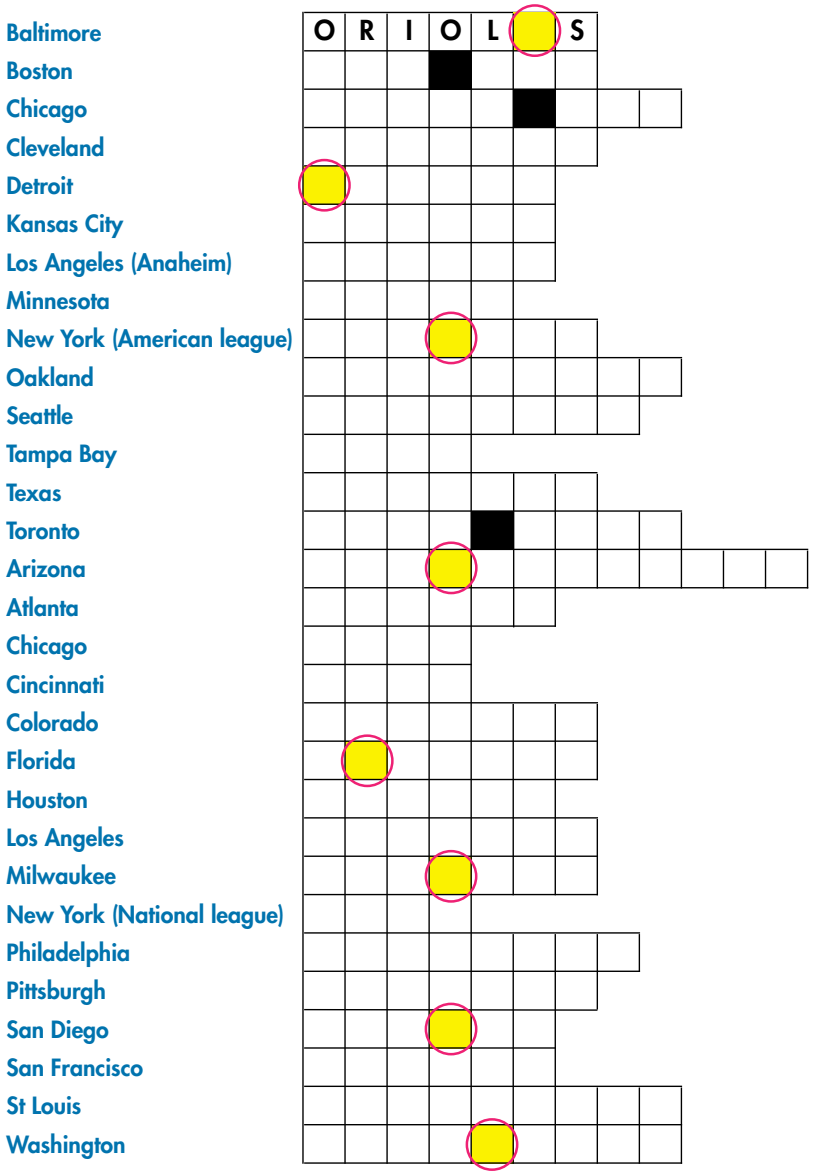
Baseball Jumble

The Baseball Jumble challenges your knowledge of Major League Baseball and as an added bonus includes a word jumble that illustrates what all of the teams in the puzzle have in common.

The first step is to write in the name of the Major League team representing each area listed. The next step is to unscramble the eight letters in the circles to learn what these teams have in common. We've started you off by writing in the first team name.



What do these teams have in common? ◯◯◯◯◯◯◯◯
